CTRL FREAKS / RWANDA CRVS

2019 - 2025

Every life, counted.

Seven years of vital statistics reveal two very different registration stories.

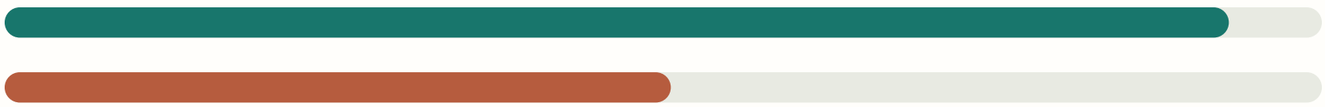
LIVE BIRTHS	DEATHS	MARRIAGES	DIVORCES
356,838	39,355	50,236	4,479

Registered events in the 2025 CRVS reference year

REGISTRATION COMPLETENESS / 2025

92.9%
BIRTHS

50.5%
DEATHS



Percentage of estimated events captured in the civil registration system

THE COVERAGE GAP

42.4
percentage points

Birth registration is much more complete than death registration.

HOW REGISTRATION CHANGED

BIRTH COMPLETENESS

87.0% to **92.9%**

+5.9 percentage points since 2019

DEATH COMPLETENESS

31.4% to **50.5%**

+19.1 percentage points since 2019

REGISTRATION ON TIME

99.1% births

89.9% deaths

A registration gap is a data-coverage gap, not proof that the events did not occur.
